Subject: Appreciation for Guest Lecture on Reinforcement Learning, AI & ML

Dear Mr. Karthik Pythireddi,

On behalf of Avanthi Institute of Engineering and Technology, we extend our heartfelt appreciation for delivering an insightful and engaging guest lecture on *Reinforcement Learning, Artificial Intelligence, and Machine Learning* to our B. Tech students.

Your session provided a comprehensive understanding of emerging AI technologies, blending theoretical concepts with practical applications. The clarity with which you explained complex topics such as reinforcement learning models, real-world AI implementations, and future industry trends greatly enriched the students' learning experience.

The interactive nature of your lecture inspired curiosity and encouraged students to explore advanced domains in AI and ML. Your valuable guidance and industry perspective have significantly contributed to bridging the gap between academic knowledge and real-world applications.

We sincerely thank you for your time, effort, and dedication in making this session highly informative and impactful. We look forward to more such collaborations in the future.

Wishing you continued success in all your endeavors.

Yours sincerely,

Prof. G. Anantha Rao.
