

Certificate of Appreciation

This is to certify that Mr./MS./Dr./Prof. Karthik Pythireddi Senior System Integration & Test Engineer - Autonomous Driving at NVIDIA, actively delivered a talk on “Autonomous Driving, Robotics & Physical AI” on 29th January 2026. The session was organized in association with the IEEE Vizag Bay Section and the IEEE Student Branch, GITAM.

Your insightful technical talk greatly contributed to enhancing the technical knowledge and awareness of the attendees, including students, faculty, and research scholars, by providing valuable insights into emerging technologies.

We sincerely appreciate your contribution and wish you continued success in all your future endeavours.
